Helen and Roberta,

Is it ok with your respective schedules to start tomorrow's call at 11:30 (2:30) rather than 11:00 (2:00)?

Hi Alan,

I don't have a call on my calendar for tomorrow from 2-3:45, but will be ready for the call on the 8th. I have the general CZARA call on my calendar tomorrow at 1pm edt, but have a conflict. I have a conflict until 2:30 tomorrow so can join an ag call then. Who all will be on a 2pm call tomorrow? If its just us, could we push it back 30 min?

Thanks,
Katie

Helen, Katie and Roberta,

This is just a reminder that we have an CZARA Ag call on Tuesday, July 1st from 11:00 - 12:45 Pacific

time. The call-in number is

Non-Responsive

We will be discussing the next steps in our review process and preparing for the CZARA core group discussion scheduled for July 8th from 10:00-11:00 Pacific Time.
